**Updated:** May 3, 2024

The below list identifies the current holders of a Conditional Adult Use Dispensing Organization License (“Conditional License”) in the BLS Region in which that Conditional License was issued. This list will be updated as more Conditional Licenses are issued, have updated expiration dates, or are issued their corresponding Adult Use Dispensing Organization License pursuant to Section 15-36 of the [Cannabis Regulation and Tax Act](#). (“15-36 License”).

If an entity has a “yes” in the column indicating a 15-36 license has been issued, this means that entity has obtained an operational [Adult Use Dispensing Organization license](#). A blank in that column does not mean the entity has been denied a 15-36 License.

Please note that a Conditional License does not authorize the Conditional Licensee to engage in the sale of cannabis until the Conditional Licensee is issued a 15-36 License. See 410 ILCS 705/15-25(f); 410 ILCS 705/15-35 (e); and 410 ILCS 705/15-35.10(e).
