TOPIC	DISCUSSION	ACTION
New Business		
Introductions	The Board members and staff introduced themselves.	Attorney Ast explained the role of Legal Counsel. She provided information about ethics, conflicts of interest, confidentiality and the role of the Board to DPR. The Board provides expert profession advice and is advisory to the Department.
Mandatory Report Process	Mandatory reports in the past have been reviewed by the Medical Coordinator. The Coordinator notes his opinion to either close the case or refer to investigations. Since the Medical Coordinator is a physician licensed to practice medicine in all of its branches and not a podiatrist, he would rather the reports be reviewed by a Board member.	The reports will be reviewed by the Board Chairperson rather than the Medical Coordinator and then referred for prosecution or closure.
